

Statement of Commitment to Aboriginal and Torres Strait Islander people and communities

TOMNET is committed to encouraging a culturally safe and supportive environment for all Aboriginal and Torres Strait Islander peoples who access our services.

We are committed to establishing processes that enable inclusion, respect and understanding.

TOMNET recognises the traditional custodians of the lands.

We pay our respects to the traditional peoples, the Jagera, Giabal and Jarowair people (Toowoomba and surrounds); the Jagera, Yuggera and Ugaropul people (Ipswich and surrounds); the Mandandanji and Gunggari people (Roma and surrounds) and to Elders past, present and yet to come.
